BASIC INFORMATION

Shree Ganesh Freight Carrier is a proprietor firm established in 1997. We deal in transport and crane services and have the proven experience dealing with large corporates in India. We are based in Bharuch district, Gujrat and have worked with various companies at PAN India level.

We, **Shree Ganesh Freight Carrier**, established in the year 1997, are instrumental in service providing and trading a wide assortment of **Cranes**. The product range rendered by us consists of **Crane Rental Service, Truck Crane Rental Service, Construction Crane Rental Service, Crawler Crane Rental Service, Manlift Crane**. These are used for various material handling applications and are known for their consistent performance and user-friendly operation. Our customers can avail these products in various technical specifications. Also, we take the bulk orders of cranes, due to our vendors' base with large production capacity. Checked on various quality assurance procedures, the quality of these products is always maintained in accordance with international standards. Payment can be done through cash, online or credit card, based on the precise needs and demands of the patrons.

BUSINESS OVERVIEW

We own a fleet of latest generation cranes which we give on hire for loading-unloading, erecting and construction work at project sites all over India. Our cranes are hired by some of the leading construction companies in India namely; Larsen & Toubro Limited, Reliance Industries Limited, Tata Projects Ltd, Essar Projects Ltd, NCC Ltd, ThyssenKrupp Industries India Ltd, Alstom Projects, Bridge and Roof, TRF Ltd, Jindal Steel & Power Ltd, Shree Cement Ltd & also many sub-contractors who work for these companies.

We supply cranes on hire along with experienced and efficient operating crew who are extensively trained in executing the most challenging operations in safe & time bound framework. As a result, we have 100% repeat orders and referrals from our clients who consider us as a partner of 1st choice whom they can depend on for timely supply of cranes & execution of project work.

MISSION STATEMENT

We nurture an Environment of Innovation, Learning and Collaboration to deliver Value to our stakeholders across the Globe.

CRANE SERVICE

We have multiple cranes with different weight lifting capacity starting from hydra 12 ton to crane 250 ton and so on. We have an arrangement & partnership with multiple vendors to provide any type of cranes up to 600 mt. we provide various type of crane services like tyre mounted, crawler, manlift, forklift and pillar.

INDUSTRY EXPERIENCE

We have worked with large corporate including L & T Hazira Surat, Reliance refineries Jamnagar Gujrat, Vestas Energy, Suzlon Energy, Enercorn, Inox ever, Windworld India and many. We have proven track record in delivering excellent service to our prestigious customers.

TEAMS

The management and team possess solid industry experience focusing on quality and timely delivering the services. Our team has worked with various giant Indian customers and delivered the quality work meeting the timelines expected by customers.
